EPrise

Congratulations to Year 9 who are currently in first position for EPrise points. These are awarded on the EPrise system for good attendance and behaviour.

WELCOME!

Dear Parents

The students and staff put in an amazing effort for Children in Need, you will see more in the bulletin, with a total amount raised of £1705. It was a great day and I even got my photograph taken with a storm trooper!

Enjoy reading about the various trips and visits we have received. The festivities are building in the Academy and our Christmas lunch will be taking place on Thursday so please read more about that in the information below.

Best wishes,

Paul Davies
Principal

NEWS

Christmas Lunch

Our School Christmas Lunch will take place on Thursday 15th December. Please can parents and carers make sure that you child has sufficient funds on their cards as the lunch will cost £2.70. Only sandwiches will be available to those that do not want a Christmas lunch.

Uniform

We have been informed by SWI, our uniform supplier, that as from 1st January 2017 the price of our school uniform will increase by 12%. Uniform ordered before this date can be purchased at the current price. We advise you to order uniform before this date to avoid paying the increased price.

Please could parents and carers also remember to order uniform in your child's name as it makes it very difficult to track down the student whose uniform it is.

Students Staying after School

Students are more than welcome to stay after school but they must sign in and out at Reception, their form tutors will have advised them of this procedure.

Please be reminded that school closes for students at 5pm Monday to Thursday and 4pm on Friday.

They must vacate the building by these times.

Thank you.

Car Parking

Can we please remind all parents/carers to consider others when parking your cars at dropping off and collecting times at Kettering Science Academy.

We have recently received complaints from residents in the area who have been inconvenienced by parents' parked cars left in the way of driveways and limiting the access to their homes.

We would ask for you to consider others with your parking decisions in the residential streets in the area around both the Primary and Secondary Phases.

Thank you for your co-operation with regards to this matter.

Contact Details

Please remember to let us know if your contact details change so that we can keep our system up-to-date. You can email reception with any changes: reception@ketteringscienceacademy.org

Thank you.
