23rd March 2018

Dear Parents and Carers

Mufti Day – Wednesday 28th March – Autism Awareness

On the last day of this term, Wednesday 28th March, we will be holding a Mufti Day to raise awareness of Autism and to raise money for The National Autistic Society. For a donation of £1 students may wear their own clothes instead of uniform. Last year, through the student and staff's generous participation and support we raised £779 and won fundraising school of the year for The National Autistic Society. This year we wish to continue to raise awareness for all of our staff, students and families who have experience of Autism.

Kettering Science Academy is an inclusive school who aims to raise money and awareness for a variety of different charities. The SEN team at KSA are proud to be organising Autism Awareness week events in conjunction with their Prince's Trust students.

In order to ensure that the day runs smoothly, please can you make sure that your children adhere to the following guidelines when choosing their outfit for the day:

- They remember their swipe card and locker key
- No nightwear to be worn
- No crop tops showing midriff or low cut tops
- No 'short' shorts or mini skirts
- Sensible footwear

Normal lessons will be taking place throughout the day, and behaviour expectations remain the same as every other school day.

Thank you in advance for your support.

Yours sincerely

Mr A Segalini
Associate Principal
