

### **Science – Dylan Birk**

Dylan has been given this award following outstanding AS results in the science subjects – he achieved the best possible results; 4 grade As in Biology, Chemistry, Physics and Mathematics.

Dylan has taken on a leadership role in the Science Committee which delivers science club to the younger students where they plan organise and run sessions to inspire students with their passion for the subject.

Dylan has applied to study Medicine and has only this week had an interview at Cambridge University where we hope he will achieve a place. He has always been a model student who works extremely hard to achieve the best. He is the Head Boy and is an excellent role model to other students to strive for the best.
