

## **Excellence – Sonam Seroye**

Mr Andrew Brown nominated Sonam Seroye for Sociology, Sonam was and is an inspiration to us all, a truly talented yet very humble young woman. Rarely do you meet students with such self-drive, a determination to succeed and a 'can do' mentality. Sonam was targeted a grade B, but that was never going to be good enough, she wanted and aimed for more. Through sheer hard work, dedication and 'a small amount of good teaching' she achieved her A\* giving her the points to follow her dream; well to Manchester at least!!!!

Sonam Seroye I miss you already; the humour, the inquisitive mind and the smile will be all the things I remember you for.
