

Outstanding Post 16 Achievement – Toby Watts - Introduced by Vice Principal Simon Anderson

Toby was presented the award for being a hard working determined student who continuously pushed himself to achieve his best and through hard work, commitment and his own self-motivation he achieved two A*grades in sport and a C which was one mark off a B in chemistry. Toby's targets were Cs so in sport he achieved 3 grades higher than expected nationally –a great achievement. Well done.

Toby is now at Kent University studying Forensic Chemistry.
