28th June 2018

Dear Families

The Humanities department is delighted to offer your child the chance to visit the Bay of Naples in July 2019. The trip will be for 5 days and will enable the students to visit some of the most famous Roman historic sites such as Pompeii, Herculaneum and the exploration of Mount Vesuvius, the living volcano that destroyed Pompeii.

The dates have been provisionally booked for the 8th – 12th July 2019, but this could change slightly when flights are confirmed. The cost of the trip will be £590 which includes all transportation, group passport and half board in a three star hotel, again this is subject to change when the flights are finalised.

The trip is open to students in years 8, 9 and 10. The Academy will apply for a group passport which will enable students without a passport of their own to attend.

The trip itself will be led by a senior member of staff and at least one other teacher and is arranged through NST Travel Group Ltd who has a fantastic reputation in organising school trips abroad. There are 45 places available and it has to be strictly on a first come first served basis.

We have decided to inform you of the trip now so that a reasonable amount of time is given to those parents who wish to pay for the visit in increments. A payment card will be issued if required once an £80 non-refundable deposit has been paid. The preferred method of payment is via Wisepay, but cash and cheques (made payable to Kettering Science Academy) will also be accepted. Deposit is required no later than Wednesday 18th July 2018 with the attached slip. Even if you pay via Wisepay the slip still needs to be returned.

Please note that your child's behaviour and attendance record will be taken into consideration before they are accepted on this trip. Registering of interest and payment of deposit does not guarantee your child a place, this will be confirmed once individual records have been reviewed. We hope you understand that this is for the enjoyment and safety of all students on the trip.

I understand that if my child is withdrawn from the trip for any reason, full payment is still required.

If you would like any more information regarding the trip, please do not hesitate to contact Mrs. Franklin
nfranklin@ketteringscienceacademy.org

Yours sincerely

Mr A Segalini
