

Outstanding Post 16 Progress – David Wilson – Introduced by Vice Principal Simon Anderson

David was rewarded for being determined from day one to be successful and was determined to exceed his targets. David was targeted B/C based on his GCSE point scores which if he achieved those grades would put him in the top 25% in the country. David actually achieved 2 grade As in Mathematics and Business and a D in Further Mathematics and a grade B at Economics AS. Well done. David is currently studying Economics and Actuarial Science at Southampton University.
