## EPraise

Congratulations to Year 10 who are currently in first position for EPraise points. These are awarded on the EPraise system for good attendance and behaviour.

## WELCOME!

Dear Parents

The New Year has started well at the Academy, it is good to see the students behaving well and enjoying their studies.

As you will see in the pages to follow, we have plenty of exciting activities on the horizon including our first drama performance of Oliver the musical. Our Performing Arts department and students have been working hard on this production, it will be a great one to put in your diaries and come along to.

I am also proud of the students representing us well externally. Recently at a Lego tournament a group of students won a trophy for their research and separately, several students at the end of last term delighted the clients of Four Seasons Day Centre with their delivery of Christmas hampers.

I hope you enjoy reading more about our fantastic students and staff.

Best wishes,  
**Paul Davies**

**Principal**

## NEWS

### Miss Mallard receives SLE Accreditation

Head of Performing Arts Miss Julia Mallard has completed training to become an accredited Specialist Leader in Education in performing arts, drama and assessment. The award enables Julia to visit other schools in the Trust and country to help create good practice and improve the outcomes of students.

## Students Staying after School

Students are more than welcome to stay after school but they must sign in and out at Reception, their form tutors will have advised them of this procedure.

**Please be reminded that school closes for students at 5pm Monday to Thursday and 4pm on Friday.**

They must vacate the building by these times.

Thank you.

## Letter Home

The following letter has been sent out over the past two weeks. Sometimes we know they can be left in school bags, so if you haven't seen a copy, please check with your child. If you require another copy of the letter, please email enquiries@ketteringscienceacademy.org and we will be happy to supply you with one.

## Car Parking

Can we please remind all parents/carers to consider others when parking your cars at dropping off and collecting times at Kettering Science Academy.

We have recently received complaints from residents in the area who have been inconvenienced by parents' parked cars left in the way of driveways and limiting the access to their homes.

We would ask for you to consider others with your parking decisions in the residential streets in the area around both the Primary and Secondary Phases.

Thank you for your co-operation with regards to this

## Contact Details

Please remember to let us know if your contact details change so that we can keep our system up-to-date. You can email reception with any changes:

reception@ketteringscienceacademy.org

Thank you.
