Thursday 28th April,, 4—6.30pm

Year 10 Parents Evening

Year 7 Year 8 Year 9 Year 10 Year 11 Year 12

EPraise

Congratulations to Year 9 who have returned to lead position. EPraise points are awarded for good behaviour and attendance.

WELCOME!

Dear Parents

I hope you all had an enjoyable Easter, it's nice to see all the students back and eager to learn.

It was great to see those of you who attended the Parents' Forum last night, I enjoyed hearing your views and opinions, it's with discussions like these and working with you that you help us move from strength to strength.

Thanks must go to the staff who put on revision sessions for our Year 11s over the Easter holidays, their hard work is much appreciated. Together we are creating something special here at KSA and I'm glad to be part of it.

With best wishes,

Paul Davies

Principal

NEWS

Debating Club

A debating club has been launched for students and the group's first meeting was held after school this week. The club is being offered to Key Stage 3 students (Yrs 7 to 9) to take an active role with meetings taking place after school on Tuesdays in the communications department. For more information please click on the link below:

Show My Homework

Log-in details have now been sent out to anybody who completed a permission slip in order to request their own personal log-in. We hope this system is working well for you, please let us know if you experience any issues so that we have the opportunity to rectify. If you require a personal log-in and haven't yet received one, please complete a permission slip (letters are available from reception) and return to reception so that we can set this up for you.

Manga Competition Winner

One of our Year 9 Students and an art enthusiast has received high praise for her Manga artwork from a professional artist and illustrator. Student, Monika Kwak, was chosen as the winner of a comic storyboard competition launched at the Academy before the Easter school holidays.

Congratulations to Monika.

New York Trip

A group of more than 20 of our Year 9 Students enjoyed the Academy's first ever trip to New York at the end of last term.

The students headed to the Big Apple from 17th – 22 March and were given the opportunity to take in all the sights and attractions of the city. To read more, please click on the link below:

Computer Programming

A number of our students have been working on their computer programming skills at the Academy.

Students from Years 7 through to 9 have been taking part in an after school Coding Club on Wednesday evenings run by the head of business and ICT, Mr Daniel Duncan and Year 7

Students will also this term benefit from working with BBC Microbit computers.

Letters Home

The following letter has been sent out over the past two weeks. Sometimes we know they can be left in school bags, so if you haven't seen a copy, please check with your child. If you require another copy of the letter, please email enquiries@ketteringscienceacademy.org and we will be happy to supply you with one.

Year 10 Parents Evening

Sainsbury's Active Kids Vouchers

We are collecting Sainsbury's Active Kids vouchers. If your child is able to bring any vouchers in, please ask them to take them to the collection box in the library.

We intend to use the vouchers to acquire items for the Food Technology department.

Thank you.

Car Parking

Can we please remind all parents/carers to consider others when parking your cars at dropping off and collecting times at Kettering Science Academy.

We have recently received complaints from residents in the area who have been inconvenienced by parents' parked cars left in the way of driveways and limiting the access to their homes.

We would ask for you to consider others with your parking decisions in the residential streets in the area around both the Primary and Secondary Phases.

Thank you for your co-operation with regards to this matter.

Students Staying after School

Students are more than welcome to stay after school but they must sign in and out at Reception, their form tutors will have advised them of this procedure.

Please be reminded that school closes for students at 5pm Monday to Thursday and 4pm on Friday.

They must vacate the building by these times.

Thank you.
