Epraise

The children continue to receive Epraise points for good behaviour and going above and beyond the norm. Year 9 remain in the lead with Year 10 just managing to overtake Year 8 for Second Place. Well Done—keep up the good work.

WELCOME!

Dear Parents

I hope you enjoy reading this bulletin as much as I have; it is packed full of Academic and Sports successes and achievements. I am very proud of the students and thankful to the staff who have helped them along the way.

With best wishes,

Paul Davies
Principal

NEWS

Show my Homework Demonstration

On Tuesday 9th February we will be inviting parents in for a demonstration of the Show my Homework application, and online homework calendar which will be in use after half-term. A letter giving full information will be sent out shortly.

Letters Home

We have not sent any 'whole year' letters home in the past fortnight, however for parents in Year 9 may we remind you that the parents evening is being held on Thursday evening so if you haven't got any appointments scheduled, please ask your child to make them with their teachers.

Car Parking

Can we please remind all parents/carers to consider others when parking your cars at dropping off and collecting times at Kettering Science Academy.

We have recently received complaints from residents in the area who have been inconvenienced by parents' parked cars left in the way of driveways and limiting the access to their homes.

We would ask for you to consider others with your parking decisions in the residential streets in the area around both the Primary and Secondary Phases.

Thank you for your co-operation with regards to this matter.

Students Staying after School

Students are more than welcome to stay after school but they must sign in and out at Reception, their form tutors will have advised them of this procedure.

**Please be reminded that school closes
for students at
5pm Monday to Thursday and
4pm on Friday.**

They must vacate the building by these times.

Thank you.
