1st March 2021

Dear Parents/Carers

It is a pleasure for me to welcome you to Kettering Science Academy.

We are a proud and inclusive community with excellent facilities and a high quality supportive staff. "Being The Best We Can Be" is what we are all about. Our curriculum allows us to provide all of our students with "Knowledge, Strength and Ambition". We will strive to provide your son or daughter with all the skills and knowledge they need for the next stage of their lives.

Unfortunately, I have not been able to welcome you to the Academy in person; however, I look forward to meeting your students, and indeed yourselves in the near future and throughout their career at Kettering Science Academy.

Please could we request that all forms are returned by Wednesday 14th April 2021. This information is required for safeguarding reasons.

I do hope that you find all of the information in the Transition Pack useful and we would be happy to answer any queries or concerns should you have any.

Best wishes

Yours faithfully

Tony Segalini
