2<sup>nd</sup> March 2021

Dear Parents/Carers

I am fully aware of how trying the current situation is with regards to exam cancellations. I would like to assure you that Kettering Science Academy and The Brooke Weston Trust are working on a detailed process, which will allow centre assessed grades to be collected for all students that will fairly represent their academic performance to date.

Please can I ask you to bear with us and trust in our professionalism in creating a robust process so that no student is disadvantaged because of the school closure.

I am really looking forward to students returning to school next week. It is vital that all students continue to work hard so as to make awarding the grades as representative of ability as possible.

As soon as we have a clear process in place for the awarding of grades I will share this with you and our students.

If you have any queries, please do not hesitate to get in touch. Thank you for your support.

Yours faithfully

Mr A Segalini

Principal
