

Year 11 Easter Boosters

Please see below for details of boosters teachers will run over the Easter holidays.

All sessions are open to all students taking the subject. Sessions will cover content coming up in assessments. Boosters are there to add to the independent revision you will do.

All sessions are on Teams apart from French and German.

Revision strategies

We have learnt about various key revision strategies we can use. This list reminds us of these.

Organisation and planning:

- ✓ Have the materials you need – ask teachers if you think you are missing anything.
- ✓ Timetable your revision sensibly. It is better to plan 2hrs of revision you will actually do than 4hrs you won't.
- ✓ Chunk your revision – you can't revise all of science in one hour but you could revise bonding.

Strategies:

Please see below the key revision strategies. We have covered these in form time. We will put the presentation on Teams for more detail.

- ✓ Make notes/condense notes
- ✓ Flashcards
- ✓ Mindmaps
- ✓ Flowcharts
- ✓ Mnemonics
- ✓ Complete practice questions
- ✓ Use GCSEPod, Educake, Seneca, Hegarty etc.
