21st January 2019

Dear Families

I am writing to inform you that Kettering Science Academy is part of a jointly run operation between Northamptonshire County Council, Northamptonshire Police and our school, the national name for this process is Operation Encompass.

Encompass has been set up to help schools provide support to children who may have been affected by incidents of domestic violence. We know that children can be significantly physically or emotionally harmed when they are involved in, present or witness to domestic abuse.

Under this scheme the school will receive notification from the County Council following any domestic incident that a child at their school may have been affected by.

The school have Debbie Stevens and Claire Greaves as Key Adults. They have received guidance from Northamptonshire County Council to allow them to use the information that has been shared, in confidence, to make sure that the right support is available for children and their families.

We are keen to offer the best support possible to our students and we believe this is going to be extremely beneficial for all those involved.

If you have any concerns or questions, please do not hesitate to contact one of the above Designated Leads or myself and we will be happy to discuss this further. Further information about the project can be found at <https://www.operationencompass.org> and is available from the school office on request.

Yours sincerely

Mr A Segalini
