7th April 2016

Dear Families,

Please find overleaf the Agenda for our Parents' Forum - the second meeting of this academic year.

This meeting is for parents of students from all year groups and it will take place on **Thursday 14th April 2016 with a start time of 6.30pm and finish time of 7.30pm.**

The purpose of the forum is to enable parents to play an active role in the growth and development of the Academy. The forum is a meeting which enables parents to make suggestions to me and the Chair of Governors, Steve Barton, about how we could improve the Academy.

All parents and carers are automatically members of the Parents' Forum. If you haven't already done so, please indicate whether you will be attending on the slip below and return to main reception. Alternatively you can email my PA, Josie Tomkins : jtomkins@ketteringscienceacademy.org

I look forward to seeing many of you on Thursday evening.

Yours sincerely,

Paul Davies
Principal
