13th May 2021

Dear Parent/carers,

I am writing to you following the latest guidance provided by the government in relation to face coverings. From Monday 17th May students will no longer be obligated to wear face coverings and these will now be optional. Staff will continue to wear face coverings outside of classrooms and observe social distancing guidelines. Please note that there will be no changes to year group bubbles and all other protective measures are to remain in place.

I would highly recommend that all students continue to take all relevant precautions in relation to the pandemic.

Thank you for your continued support in this matter.

Yours sincerely

Mr A Segalini
Principal
