1 April 2022

Dear Parent/Carers

Here we are again at the end of another busy term. KSA has been moving forward in lots of directions in its endeavour to spread Knowledge Strength and Ambition to all its students. We are working hard with preparing our exam cohorts in years 11 and 13, who will be sitting public exams for the first time since 2019. Student reports at Key Stage three have been developed to be far more parent/student friendly and we have rolled out Edulink as our main source of communication. Feedback from parents is hugely positive about these developments. If at this stage you are still not using Edulink please use the link below to help you with this:

KSA continues to work hard giving all students as wide an experience as possible and during this last term we have welcomed various outside agencies and guest speakers in our drive to enhance students personal development. This culminated in a fantastic experience for some of our students getting the opportunity to work with Ketterings home grown comedian James Acaster this week.

We are saying goodbye to two long standing members of the Senior Leadership Team, Vice Principal Claire Greave and Assistant Principal Amanda Doherty, who are moving on to follow new educational endeavours. I would like to thank them for all they have done for KSA and wish them well. We are welcoming Assistant Principal Alex Merry who will be our Designated Safeguarding Lead from next term.

In our drive to be green and planet friendly, from next term we are cutting back on plastic cups. I would ask you to provide your student with a drinking bottle which they can fill up during break and lunchtimes. This should keep them hydrated through the day. These can be stored in their bags and used when needed. The bottle also means that students will not need to leave classes or be late for lessons to get a drink.

I would like to take the opportunity to wish you all a happy Easter and I hope that all the students have a good break so that they can return on Tuesday 19th April ready for another term of progress.

Yours sincerely

Tony Segalini
Principal
