Date 15<sup>th</sup> March 2021

Dear Parents and Carers

### **Ofsted Inspection of Kettering Science Academy 16th March**

Tomorrow we will be welcoming OFSTED remotely for an Inspection and we are really excited about sharing the progress, we have made. It will allow us to demonstrate the steps the school has taken to move forward. Students, parents and staff have worked tirelessly to help bring about the improvements and this has been so very positively demonstrated with our Education offer to Students over the last twelve months.

Ofsted ask parents for their views through the Parent View Survey which can be found at:

[www.parentview.ofsted.gov.uk](http://www.parentview.ofsted.gov.uk)

Ofsted Parent View asks for your opinion on some aspects of your child's school, including progress made by your child, the quality of teaching, how the school deals with bullying and poor behaviour. It also provides a free-text box for you to make additional comments if you wish. The inspector will use the online survey responses when inspecting the school.

To register your views, you will need to provide your email address, which will be held securely. It will not be used for any other purpose other than providing access to the online survey. Neither school or Ofsted will have access to any email addresses.

Please complete the online survey as soon as possible, preferably by 11am on March 16th, as this will give the inspection team more time to consider your views.

Please also see an operational note: <https://www.gov.uk/guidance/january-2021-maintained-schoolsand-academies> for information about monitoring inspections from January 2021.

Yours faithfully
