2nd January 2022

Dear Parents/carers

The Government is temporarily recommending that face coverings are worn in classrooms and teaching spaces for students in year 7 or above, in light of the Omicron variant surge.

The advice is short term only to support pupils and staff as they return to schools this term and builds on the existing guidance that recommends face coverings for all adults in communal areas of all settings. The advice on face coverings in classrooms will be in place until the 26 January, when Plan B regulations are currently scheduled to expire, at which point it will be reviewed.

As a school our first priority is always to provide the safest possible environment for students and staff. Please help us to achieve this by supporting our return to mask wearing for everyone except those with a legitimate medical reason for exemption. If your child has a reason for not wearing please can you contact us on Enquiries@ketteringscienceacademy.org so that we can keep a record of this.

Also a reminder that it's a staggered return to the academy so on Wednesday 5th January years 7, 11 and 6th form will return. On Thursday 6th January years 9 and 10 will return and year 8 will return on Friday 7th January.

Many thanks for your continued support

Yours sincerely

Tony Segalini
Principal
