

Year 7

Please follow the links below to Oak lessons for you to complete. The lessons will link to the work being completed in your lessons this term. Some lesson links may not work. If this is the case, please go to this website and navigate to the lesson and topic. An adult can help you with this if needed. <https://continuityoak.org.uk/lessons>

You must fill in your Work Diary at the start of the day to help you make the best use of your time.

Oak National Academy provides video lessons and accompanying resources to support students in their learning. Each lesson takes around an hour for a student to complete. There is a pre-recorded video with explanations from a teacher, with slides, as well as quizzes, worksheets and creative activities. The video is supported with a combination of other elements to help learning - a starter quiz, a finishing quiz, and an independent activity, often with a worksheet.

You must watch the video in full and complete all the lesson activities to ensure you have learned what is expected for you to know.
