Dear parents

Re: Full academy closure Tuesday 26<sup>th</sup> May 2020

I hope this letter finds you well in these unprecedented times.

I am writing to inform that the academy will be closed to all students, including those who have been attending during the COVID-19 closure, on Tuesday 26<sup>th</sup> May 2020. This is due to a full electrical power down for the new building and therefore the academy will have no power at all. As such, we have to close for Health and Safety reasons.

Please make alternative arrangements for your child(ren) on this day as they will be unable to attend. I apologise for any inconvenience this may cause. The academy will be open all other days during the half term week, including the Bank Holiday, for identified students and children of key workers.

Thank you for your support with this matter and please do not hesitate to contact the school should you have any queries.

Yours faithfully

Mr A Segalini  
Principal
