

Meet the Teacher!

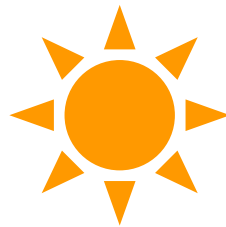

Mr Segalini- Principal

Welcome to KSA! I am Mr Segalini the Principal of our super school. I believe that everyone should be as good as they can be at KSA and to help you do this, we have a fantastic modern building with great learning facilities and a very caring staff.

I know that coming to a large school like ours can be worrying but I can say that Mr Baines as your Head of Year as well as all of our staff will look after you and help you make great progress in your secondary education.

I look forward to seeing you all when we start year 7.

Remember:

Be the Best that you can be!
