Hello Year 7!

I'm excited to meet you and make this the best school year yet! I have taught at KSA for six years and been a Head of Year for Two and a Half years. I am now looking forward to helping you with your journey through school here at KSA.

You can come and see me if you have any problems and I will do everything I can to help you!

I mainly teach PE but also teach Business Studies here at KSA.
