## How to use your Knowledge Organiser

Each day, you should be studying the allocated sections of your Knowledge Organiser (KO).

You should use the knowledge book that you have been given to show the work you have completed. Each evening you should rule off from the previous work and clearly write the date at the start of the next piece of work.

You need to bring your KO to school every day.

You will be tested on the knowledge you have learnt in your lessons.

### Self-testing

You can use your KO and your knowledge book in a number of different ways but at no time should you be **copying the information down**. Use the 'How to self-test with a Knowledge Organiser' booklet which can be found in the homework section on the Academy website.

Below are some possible tasks you could do in your knowledge books:

- ✚ Draw a comic strip of a timeline
- ✚ Use a clock template to divide the information into smaller sections
- ✚ Give yourself spelling tests
- ✚ Draw diagrams of processes
- ✚ Draw images and label/annotate them with information
- ✚ Do further research on the topic
- ✚ Create fact files
- ✚ Create flowcharts
- ✚ Ask someone to test you by asking you questions and then, write down everything you can remember in a mind map
- ✚ Write your own challenging questions then leave it overnight and attempt them the next day
- ✚ Create flash cards
- ✚ Rewrite the key words in new sentences
- ✚ Look, cover, write, check
- ✚ Create mnemonics
- ✚ Create a table of positives and negatives
