Title Page

Produce a title page that makes clear what you have chosen (do not spend too long on this!).

Generate some ideas for a title page in rough first.

- Link your background and title style to the theme of the question.
- The title page should include the question.

- Remember good presentation is vital.
- From here on in each page should be a piece of work in itself

Mood board

Use at least a double page of your sketchbook where you produce a **COLLAGE** of images related to your **THEME**. These should be a combination of your own photos (originals) and images that you have researched.

CRITIQUE

Teacher Feedback

As well as in lesson your teacher will give you some written targets how to improve your work against the Assessment Objectives. Use your DIRT time to improve your grade!

**Dedicated
Improvement &
Response
Time**

What is DIRT?

A time to read the feedback you have been given about your work, by your teacher, peers and yourself, and respond independently taking action to improve your work. At GCSE you will get a range of feedback linked to specific Assessment Objectives to help you improve specific aspects of your work.

How do I do use DIRT?

- Look back at the work you have done and read your EBI's and WWW.
- Reread the success criteria for the work.
- Work on improving your work either by adding to it or choosing a section of the work to redo in responding to your feedback.
- Finally conclude your DIRT by writing what you did and why it has improved your work (YOUR DIRT RESULT).

Why do we do it?

DIRT allows you time to improve your art skills and develop your understanding of how to reach a higher grade in Art.

What Went Well:

A comment telling you what you have done well in the piece of work, pointing out what is good about it and giving you some praise.

I really like / The best bit of this work is.....

Even Better If:

A comment telling you how that piece of work could have been even better, **giving you advice** about what to do to improve similar pieces of work in the future.

I could improve this work by..... / I need to work on my.....

BE SPECIFIC!

Make your comments about your Art Work NOT your effort.

Peer-ASSESSMENT

What makes good Peer Assessment?

RED

Relevant – Linked to the lesson.

Example – Give an example of how to improve.

Detailed – Use clear full sentences.
